Date: Thursday, October 30th

Time: 9:30 a.m. ET

Duration: 75 minutes

As cyber threats evolve, so must the defense and mitigation strategies, tactics and understanding. This year, we're diving deep into critical topics such as the impact of recent phishing attacks and social engineering schemes that have rocked industries. We'll talk to industry experts on modeling risk for cyber insurance, and hear how our own S&P Global analysts approach and develop the concepts of how Cyber Risk is transmitted and impacts credit ratings.

Guest Speakers:

Andrew Bayers, Director - Cyber Threat Intelligence, Resilience

Deborah Dawui, Deputy CISO, National Association of Corporate Directors

Jeff Hanestad, Director - Third Party Security Risk Management, Fresenius Medical Care

Agenda at a glance:

- Cyber Resilience in Action: Lessons, Strategies, and the Road Ahead
- Beyond the Breach: Third-Party Risk in 2025
- Ask the Analysts: A Panel Discussion on Current Cyber Events

Our full event agenda will be released in the coming weeks.

We look forward to you joining us!

This session is provided on a complimentary basis.
